The parties, by and through counsel, stipulate to and respectfully request a continuance of the Case Management Conference to a date after October 30, 2007, so that the parties can participate in the mediation session already scheduled with the Court's Alternative Dispute Resolution Office.

Pursuant to General Order No. 56, on June 27, 2007, counsel for plaintiffs filed a Notice for Need for Mediation. Thereafter, the matter was referred to mediation and Daniel Bowling of the Court's ADR Office was assigned as the parties' mediator. On July 26, 2007, Mr. Bowling and counsel conducted a telephonic conference wherein the parties' respective settlement positions were discussed at length. It was agreed during that conference that a formal mediation would be scheduled on a date mutually convenient to the parties and Mr. Bowling. After further

1 communications, and accommodating various vacation and trial schedules, the mediation was set  
2 for October 30, 2007.

3 In light of the parties' scheduled mediation, and in an effort to avoid any undue  
4 escalation of the fees and costs associated with this matter, the parties ask that the Court continue  
5 the Case Management Conference to a date after mediation on October 30, 2007.

6 IT IS SO STIPULATED.
